WITH THE BEST TEAMS

Being part of the MICFootball7 is a **once in a life opportunity to face the best teams.** The players can make their dreams come true by playing against the best.

AN INTERNATIONAL TOURNAMENT

One of our main attractions is our **international character**.

Teams from all over the world, from **China** to **Netherlands** going through **Morocco**, **United Kingdom**, **Kuwait** or **Hungary** save the date in their calendars to enjoy a great weekend at **Costa Daurada**.

The 7-a-side football World Cup is played here!

MEDITERRANEAN SPORT VILLAGE

A UNIQUE VENUE WITH ALL THE SERVICES

The Mediterranean Sport Village is the best possible place to enjoy the MICFootball7. In a unique venue, all the teams, players and supporters stay together to take part in the great football party to end the season.

A total of **13x 7-a-side pitches** host the matches during the day, with everything perfectly ready for the participants and families. There is a bar service with a terrace. Additionally you can park inside the venue.

COMPETITION SYSTEM

MICFootball7 guarantees that all participating teams play a **minimum of four (4) matches** during the weekend. Each match lasts **24 minutes** (two 12-minute halves).

The competition system is made up of two phases:

- **GROUP PHASE:** league format.
- **FINAL PHASE / CONSOLATION:** Depending on the classification obtained in the group stage, the teams qualify for the final phase or the consolidation phase. Both phases are played in a single-match knockout format. In the event of a tie at the end of the 24 regulation minutes, a penalty shootout is played directly (without extra time).
